Dear YBLN Residents,

On behalf of the Business Club of the Association of Koreans of Kazakhstan, I am honored to invite you to participate in the **International Business Forum**, which will take place on **September 12–14, 2025, in Almaty**.

This Forum will serve as a unique platform for strengthening business ties, exchanging experiences, and exploring new opportunities among representatives of the business communities of Kazakhstan, Central Asian countries, Korea, and other nations.

The program includes panel sessions with international experts, investment project presentations, B2B meetings, as well as a cultural and gastronomic program reflecting the rich heritage of the Korean diaspora in Kazakhstan. The main theme of the Forum is **“Trust. Partnership. Development.”** We believe that these values are the foundation of sustainable and effective business in today’s world.

We would be delighted to welcome you among the participants and are confident that your presence will make a valuable contribution to the development of interethnic and international business cooperation.

Sincerely,

Yuriy Kim
Chairman of the Business Club
Association of Koreans of Kazakhstan
