Dear all YBLN brothers and sisters,

In five (5) weeks, we will be meeting each other in Kyungjoo YBLN annual meeting in Korea. I can't wait to meet you all, and share a great time and energy together in Kyungjoo.

We, business network committee ("BNC") are dedicating ourselves to grow and develop our YBLN meeting with further values and interactions among the members. In this context, we have renamed our "Small Group Meeting by Subject" as "YBLN Business Forum", and decided to design and conduct three (3) programs for YBLN members starting from this Kyungjoo YBLN annual meeting.

YBLN Business Forum will be held as unofficial program of Kyungjoo Hansang 2015 Convention, and scheduled on October 13, 2015 from 2:00pm to 4:00pm about 2 hours session. Furthermore, the forum consists of three (3) separate programs that will be held, at the same time, in different location with a maximum number of 50 participants per each program.

2. Business Forum Program 2 : Business Case & Knowledge Sharing (사업사례 및 지식공유)²
3. Business Forum Program 3 : Business Life and Work Mentoring (비즈니스 삶과 일 멘토링)³

The main purpose of the Business Forum is to help our YBLN members to grow as global businessmen by the means of learning and sharing business opportunities and market information, exchanging business case (success or failure) and administrative knowledge sharing, and exposed to mentoring by other YBLN members or external sources.

Therefore, should be any YBLN member willing to share and transmit your business experience and knowledge with our YBLN brothers and sisters, please do not hesitate to solicit us a volunteer speaker for this Business Forum.

Each program is limited to three (3) speakers maximum, each speaker is given 40 minutes (20 min. for presentation and other 20 min. for Q&A). So, if anyone who is interested in volunteering, please contact Sang Min Choi, vice president of BNC at sangmchoi@gmail.com or +1 809 707 0422, no later than September 4, 2015 -END-
